

CERTIFICATE OF PRODUCT COMPLIANCE

This letter is to certify that Northwestern Industries-Arizona, Inc. (NWI-AZ) manufactures tempered glass that complies with ANSI Z97.1 2009 OR 2015 and CPSC 16FR1201 category I and II.

All NWI-AZ, products including tempered, heat-strengthened, laminated and spandrel comply with the following ASTM Standards and Specifications for flat and bent glass. Mirror supplied by Avalon Glass & Mirror comply with Mirror Select Specifications.

All tempered products provided by NWI-AZ, Inc. will meet or exceed the requirements set forth in the Consumer Products Safety Commission Specifications and testing for flat glass products;

- ASTM C 1048-92 Standard Specifications for Heat-Strengthened and Fully Tempered glass.
- ASTM C 1036-11 Standard Specifications for Flat Glass
- ASTM C 1503-08 Standard Specifications for Silvered Flat Glass Mirror.
- ASTM C 1464-16 Standard Specifications for Bent Glass
- ASTM C 1172-14 Standard Specifications for Laminated Architectural flat glass.
- California Building Code (SBC) sections 2401.1.1 & 2407.1.1
- Vitro & Guardian Certified Fabricator

This glass meets or exceeds all requirements set forth in the Glass Association of North America (NGA / GANA) and has met all requirements set forth by the Safety Glazing Certification Council (SGCC).

NWI-Arizona, Inc.
